Michael Friedman has over 30 years of experience in the public accounting and private industry. As Director of Accounting and Human Resources, he has been adroitly overseeing staff and managing finances since he came to Gavel International in 2005. Michael plays a critical role in customer service by auditing all completed programs to ensure that all customer bills are accurate. He also looks out for the best interests of the company and its customers - negotiating and reviewing outside services to ensure they get the lowest rates possible.
